02 Project Summary

This Agreement confirms the deployment, branding, and configuration of the Flym Gym Management Platform for D Sculpt Fitness, along with a new QR Check-in App that lets members check in at the gym by scanning a QR code. The platform covers member management, payments, renewals, reports, staff management, and communication tools. It will be branded exclusively for D Sculpt Fitness and delivered as a Progressive Web App (PWA), usable on mobile, tablet, and desktop.

Fixed scope, fixed price. The Final Project Investment on the next page is the complete cost for the scope described in this Agreement — there is no additional or hidden cost for the work listed here.
